Can You Doubt It?

When the Proof Can be so Easily Investigated.

When so many grateful citizens of Norway testify to benefit derived from Doan's Kidney Pills, can you doubt the evidence? The proof is not far away—it is almost at your door. Read what a resident of Norway says about Doan's Kidney Pills. Can you demand more convincing testimony?

C. E. Bradford, prop. laundry, Main St., Norway, Me., says: "Sometimes I had a dull pain through the small of my back, together with a tired feeling. I couldn't rest well. When a friend advised me to take Doan's Kidney Pills, I got a supply at Stone's Drug Store. After I used two boxes, the pains left and there was a great improvement in every way. I have had no trouble since."

If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Bradford had—the remedy backed by home testimony. 50¢ all stores. Foster-Milburn Co., Props.; Buffalo, N. Y. 26-27

Suffered Twenty-One Years—

Finally Found Relief

Having suffered for twenty-one years with a pain in my side, I finally have found relief in Dr. Kilmer's Swamp-Root. The physician called it "Mother's Pain" and injections of morphine were my only relief for short periods of time. I became so sick that I had to undergo a surgical operation in New York. When the same pain came back one day I was so sick that I gave up hopes of living. A friend advised me to try your Swamp-Root and I at once commenced using it. The first bottle did me so much good that I purchased two more bottles. I am now on my second bottle and am feeling like a new woman. I passed a gravel stone as large as a big red bean and several small ones. I have not had the least feeling of pain since taking your Swamp-Root and I feel it my duty to recommend this great medicine to all suffering humanity. Gratefully yours, MRS. JOSEPH CONSTANCE, Avonlea, Pa.

Personally appeared before me, this 15th day of July, 1911, Mrs. Joseph Constance, who subscribed the above statement and made oath that the same is true in substance and in fact.

WM. MORROW, Notary Public.

Letter to Dr. Kilmer & Co., Binghamton, N. Y.

Prove What Swamp-Root Will Do For You. Send to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. It will convince anyone. You will also receive a booklet of valuable information, telling all about the kidneys and bladder. When writing, be sure and mention the Norway, Weekly, Oxford Co. Me. Advertiser. Regular fifty-cent and one-dollar size bottles for sale at all drug stores.

Written for the Advertiser. Regeneration.

To Mrs. Cora M. W. Greenleaf and all "Rejuvenated."

Why be so wadded to the waist and earthy. The passing breeze that goes and comes no more. Why then to species and trials so unworthy. When there are joys and glories by the score? Why let the joys depart and not the sadness. Why leave the thoughts that bring the dread-ed pain?

The broken heart that banished the gladness. If one but thought so, would be made again. Cast all your burdens on the All-wise Giver. And think no more of grief or things impure. And peace, sweet peace, that "loveliness like a cure."

Will come and all earth's sins and sorrows cure. Griefs of past years have not a right to harm. They but belong to times and years long dead. Sins of past days have not a right to charm us. So let the dead past bury all its dead.

Parents, Read this Letter!

I have a letter from a prominent Maine clergyman in regard to a sickness of one of his children from which I quote as follows:

"Our two-year-old baby was very sick at two different times and we came near losing her. We had the best doctors, but they did not know what the trouble was. In the first sickness she had high fever for several days, and the doctor said it acted like scarlet fever, but as there were no other signs he did not think it could be. Afterwards she broke out in a rash all over her body. The last sickness was similar and the doctor was puzzled. She was very nervous and we feared we would lose her. Your Dr. True's Elixir was recommended and after two days' use she passed several worms from two to three inches in length, and is now well and strong and sleeps at night without fretting, tossing and starting in a fright as she did formerly."

I will be glad to furnish this clergyman's name and address to anyone who cares to write to him.

N.B.—True's Elixir is the best known remedy for all stomach and bowel troubles. Purely vegetable, pleasant to take and entirely harmless. Expels stomach worms and pinworms. All dealers, 35¢; 50¢; \$1.00. Yours for better health.

RID YOUR CHILDREN OF WORMS.

You can change fretful, ill-tempered children into healthy, happy youngsters, by ridding them of worms. Tossing, rolling, grinding of teeth, crying out while asleep, accompanied with intense thirst, pains in the stomach and bowels, feverishness and bad breath, are symptoms that indicate worms.

Kickapoo Worm Killer, a pleasant candy lozenge, expels the worms, regulates the bowels, restores your children to health and happiness. Mrs. J. A. Briggs of Hiram writes: "I have used Kickapoo Worm Killer for years, and entirely rid my children of worms. I would not be without it." Guaranteed. All druggists, or by mail. Price 25c. Tobacco Should be Smoked Up As Soon as it's Cut Up

Then it is bound to be fresh—to smoke cool and sweet—because the natural moisture hasn't a chance to escape. That's the reason experienced smokers stick to the good old Sickle plug—slice off a fresh pipeful as they need it—and get all the original flavor and fragrance that have been pressed in the plug, and kept there by the natural leaf wrapper.

These smokers could save a minute's time by getting their tobacco already cut up—but they know it would also be dried up, would burn fast and bite their tongues.

You'll find solid satisfaction in smoking Sickle. And you'll get more tobacco, because there is no package to pay for. Your dealer sells Sickle.

The vice president of the Rebekah Assembly, Vesta Whitten of Fairfield, and D. D. F. Carrie A. Moulton of North Waterford were in attendance. Dinner was served at six o'clock to about one hundred members. The menu was roast chicken, etc., salads, bread, butter, cheese, all kinds of pastry, and coffee. After the work ice cream and cake were enjoyed.

The meeting was helpful in many ways, the vice president spoke very encouraging of the lodges represented, especially of Crystal Valley Lodge, and congratulated them on their progress in the last year, and thinks the three lodges are in a prosperous condition, and that owing to the age of Crystal Valley Lodge and the number of the resident members, she recognized the struggle they had in preparing for such an undertaking as a district meeting, and appreciated the spirit that made it a success in every way.

DENMARK.

Our Dedication Exercises. Village in Gala Attire for the Most Noble event in the history of the Town.

June 26 opened up cool, and as has been the case for the past few days, the day was one of the best of the season.

The day was one of the best of the season. The most notable, for never before has there been the interest shown on any one occasion.

From Portland came a big delegation of veterans, and other soldiers of the Civil War, from Bridgton, Biddeford, Brownfield, Fryeburg, Gorham and other places, both in Maine and other states.

The monument is at the top of Mill Hill and is very conspicuous and as ever visitor tells us, is something to be proud of. The face of the base are the words, "To Patriotism and Valor," while on the back of the base is the inscription, "Erected by the Town of Denmark; in Grateful Recognition of the services of Her Sons."

Ever since the monument was completed, all have taken an active interest in making arrangements for the time when it should be dedicated.

The officers of Bowdoin Post of Portland were asked to take charge, and on the occasion of the dedication, the Portland party numbering 30, arrived at Brownfield on the 8.30 train and were met by automobiles gaily decorated with flags. The ride overland was easily and quickly made to Denmark.

Our village was in gala attire for the occasion and hardly a house could be seen that did not have the National flag displayed, while the Odd Fellows' hall and many of the larger residences were elaborately decorated.

On the ground floor of I. O. O. F. hall, and which had been fitted up for a reception room, the decorations were among the finest. Here potted plants, cut flowers, American flags without number, photographs of American heroes and the dates of American wars were enclosed in wreaths, which were used with striking and pleasing effect.

When the Portland party, headed by Commander Murphy of the Post, arrived, they were greeted by the members of the Monument committee, Mrs. Jennie Bennett-Coby, Augustine Ingalls and Chas. E. Cobb, after which a truly appetizing New England dinner was served in the banquet hall by the ladies of the town to their guests. At 1 o'clock the procession formed in front of the hall to march to the monument.

The memorial is but half a mile away, yet it is all up hill and quite so. Still at dinner, Col. E. C. Milliken announced, "Will walk to the monument, boys. It is up hill, but we'll make it." Fortunately the air was cool so they suffered no discomfort from the march.

Headed by the Bridgton band, the Portland men led the procession under guidance of A. W. Belcher of Denmark, as marshal for the parade. Members of the G. A. R. from other towns, ladies of the Relief Corps, the school children with flags and citizens made up the rest of the procession.

Notable among those in the line of march was Uncle Chas. R. Rind in his 94th year, who covered the distance from the hall to the monument and climbed the hill much more easily than did some of the younger veterans.

Uncle Chad says there's a good deal in knowing how.

Once the scene had been reached, the veterans grouped around the monument which was decorated at the base with ferns and potted plants. Flags floated from all the houses in the neighborhood which was called Monument Square for the day. The program as carried out was:

Show Costs Reach \$1 Each Minute.

Did you ever stop to think how much capital and brains are tied up in modern circuses such as the Downie & Wheeler Shows which will be here July 21?

The beautiful high priced horses and the costly and monster canvases set up with tons of ropes, the mammoth carved animal dens, the long length railroad cars, harness, uniforms, costumes, trappings, the thousands of feet of lumber used for seats, poles, stakes, etc., and the modern light plants and goodness knows what else, can you imagine the enormous cost tied up for the purpose of amusing the little you spend for a ticket?

then you don't have to pay anything for the expensive parade and high class acts. Then think of the daily expenses which are over two thousand dollars. Don't take real brains to manage an institution that has this expense to nothing of the interest on investments.

When depreciation of property, petrol and show comes just take a pencil and try to "dope it out" and you realize what a monstrous proposition it is. Don't forget the date—Fair Grounds, Norway and South Paris, July 21st.
